What's more... the pass saves you money! If you purchase the whole weekend a la carte it costs \$130. Why not save \$50 by purchasing a pass now?

Quick Notes:

1. At all late nights and the Saturday main dance, snacks will be provided for hungry dancers! Leftovers will be provided at the workshop the following day as will water containers to fill up your own bottles.
2. Please bring a water bottle and some snacks or lunch with you to Pine Point as the break is short and there are a very limited number of places to purchase food near the school.
3. Our goal is to allow you, the student, to get the most you can out of this weekend! To help ensure you learn what you need at this stage of your dancing, Mystic Blues 3 staff and teachers reserve the right to move any student to a different class level. If you are asked to move to a level other than where you placed yourself, you will not receive a refund.
